***Allowance***

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Replace the abstract filed on March 30, 2004 with:

An evaluation device for evaluating the operability of an object device based on the operation of the object device by an examinee, comprising a means of defining the initial status of the above object device, a means of defining a target status after the operation of the object device, an operation identifying means for identifying the operation by the examinee of the object device, a status identifying means for identifying the operation status of the object device by the above operation, a means for judging whether or not the above operation status agrees with a target status, and a clock means for measuring elapsed time required for the above operation status to migrate from an initial status to a target status.

3. Authorization for this examiner's amendment was given in a telephone interview with Donald Hill on February 3, 2005.

4. Claims 1-7, 9-16, and 18 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner notes that none of the prior art of record teaches an evaluation device that comprises a means for identifying an examinee's operation upon an object device and means for registering attributes of the examinee operating the object, means for adding up elapsed time of the examinee's attribute, and means for calculating a ratio of examinee's added-up first attributes to an added-up result of examinees having a second attribute.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Kim whose telephone number is 571-272-2217. The examiner can normally be reached on Monday-Thursday 10:00-7:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Marc Hoff can be reached on 571-272-2216.
